Fundraising Association of New Horizons School (FANHS) NEWS

Message from the President

Fall is a busy time for fundraising. Hot Lunch is underway, we're wrapping up the Elite NHS Discount card, QSP Magazines and Memories is about to begin and Purdy's will run in November just in time for Christmas!

Our fundraisers would not be possible without our many volunteers! If you are able, please consider volunteering your time to assist with Hot Lunch, Book Fair etc. We know your time is valuable and appreciate you choosing to share your time with us!

With our new facility and the school's growth come additional funding requests. FANHS anticipates we need to raise \$30,000 this year as we

continue to raise funds towards the school's wish list (provided last spring) and provide School Council funds which allows them to support classrooms, teachers, our school community and school enhancement.

We want our students to shine and to provide our school with the ability to purchase extras that they could not otherwise obtain within their budget. Our families at NHS are a tremendous support to our school giving generously of both time and financial support

Feel free to contact me
