

NEWS FROM THE FUNDRAISING ASSOCIATION OF NEW HORIZONS SCHOOL

November/December 2016

The Fundraising Association of New Horizons School (FANHS) is pleased to report that we are able to do less fundraising this year due to previous years' fundraising efforts and it is our Casino year.

FANHS gets the opportunity to do Casino once every three to four years and we typically raise approximately \$20,000. This is a significant fundraiser for our school.

The funding received from Casino can only be used for specific things and is regulated by AGLC. We typically use this funding for technology for our students, like Chrome books or iPads.

FANHS is also running Hot Lunch, Scholastic Book Fair and Mabel's Labels.

With these few fundraisers we are able to meet the funding of \$48,250 requested from School Council. School Council had allocated extra funding to allow for gym activities outside the school since the gym was originally planned to be under modernization. However, with the delay with the modernization, the gym will now be available for our students for the entire school year. This means that unless the funding is re-allocated to another area it's likely that School Council won't need all the funding they've requested.

It's a great year to be able to take a break from fundraising with the modernization taking place at NHS.
