2. Statement of Territorial Acknowledgement

The School Council of the New Horizons Charter School respectfully acknowledges that the land on which we meet is Treaty 6 territory, a traditional home, gathering place, a travelling route for diverse Indigenous Peoples, including Cree, Saulteaux, Blackfoot, Nakota, Sioux, as well as the homeland of the Metis Nation. We recognize our responsibility as Treaty members and honour the heritage and gifts of the First Peoples of this land.

3. Adoption of Agenda

MOTION: Sandra Dargis moved to adopt the agenda as presented. Seconded by Manda Wilde. Motion Carried.

4. Approval of Minutes

4.1 May 21, 2019 – attachment

MOTION: Sandra Dargis moved to approve the draft minutes from the May 21, 2019 meeting with the discussed amendment to item 7. Seconded by Manda Wilde. Motion Carried.

5. Reports

- 5.1 Chair's report -- None
- 5.2 Principal's report -- See Attached
- 5.3 Financial Officer's report -- See Attached
- 5.4 FANHS' report -- Presented by Brianne Davio
 - FANHS discussed school council's funding request at their last meeting and determined that they can support a total of \$53,000 including the \$45,000 playground request. Once they have a clearer idea of next year's financial situation, there will be the option to resubmit our original requests at a later date.
 - In response to Council's request, FANHS plans to investigate the possibility of reducing the size of the contingency fund as part of the review of policies and procedures planned for the 2019/2020 year.

6. Motion to Accept Reports

MOTION: Sandra Dargis moved to receive the reports as presented. Seconded by Brianne Davio. Motion Carried.

7. New Business

7.1 Fund allocation:

Based on feedback from FANHS, the 2019/2020 fund allocation was reduced to \$53,000 (see attached).

MOTION: Sandra Dargis moved to accept the revised fund allocation totalling \$53,000 for the 2019/2020 year. Seconded by Elizabeth Macve. Motion Carried

7.2 Playground committee update

Ted provided an update on the playground committee specifically with regard to the work they have done on vendor selection. He presented some of the possible playground layouts submitted by Blue Imp (the selected vendor) as part of their quote.

MOTION: Manda Wilde moved that we accept the playground committee's recommendation to select Blue Imp Recreational Products as our playground vendor subject to confirmation of pricing and budget availability at the time of tendering. Seconded by Elizabeth Macve. Motion Carried

Discussed some of FANHS's ideas for playground fundraisers.

7.3 Equitable playground use

A parent recently brought concerns relating to equitable playground use to the attention of the administration. Mr. Zarowny discussed the rationale of some of the rules and acknowledges that with our growing student population, the playground equipment has become more crowded. The focus is on the younger students having primary access to the playground equipment and the older students having primary access to the basketball courts. Administration is open to suggestions on alternatives to manage playground access and invites parents to bring these type of concerns to School Council as communicating parent concerns and suggestions is in our mandate.

7.4 Healthy foods committee update (update presented by Sarah-Jane Lovgen

- Not interested in changing hot lunch (that is Fanhs' mandate)
- Not addressing what students bring for their own lunches only wanting to address food served in the classroom for parties, birthday celebrations, Halloween etc.

- Want to reduce instances of multiple treats being served at parties and having more healthy food options (or a bring your own treat for class party)
- Each teacher will develop their policy with regard to food/treats and will communicate it to parents at the start of the year. For example, a standard sign-up sheet for parties and any extra treats sent in wouldn't be served and would be returned back to the parent
- Encourage teachers not to use candy as incentives
- 7.5 Discussion regarding the inclusion of fund allocation procedures into the operating procedures

ACTION ITEM: Revisit in 2019/2020 year with intent to amend at the June 2020 AGM

- 8. Correspondence
- 9. Future Meeting Dates

NHS School Council Meeting Principal's Report

June 25 , 2019 7:15 p.m. New Horizons School

1. Thank You!

On behalf of the New Horizons School Staff, I would like to thank this year's School Council and its executive: Chair Elizabeth Macve; Vice Chair, Sandra Dargis; Financial Officer, Manda Wilde; Secretary, Catherine Turner; and Communications Officer, Laura Rasmusen. It has been a pleasure working with such dedicated and supportive parents who have devoted time and energy in making our school a better place. You have allocated funds willing to support school initiatives that help enrich the experiences of our students, you have asked good questions and provided thoughtful advice, and you have sponsored events that helped bring our school community together. Your generous service is very much valued, and very much appreciated.

2. Updates For Next Year

Staffing

At the June 19 Board meeting, the budget was passed for the 2019-2020 school year. There are some highlights in the budget that will have a direct benefit to our students as the budget provided for the following:

- the hiring of a new junior high teacher
- the hiring of a ½ time Family School Wellness Counsellor
- the purchase and installation of a new modular classroom

School Fees

The 2019-2020 School Fees Package was also approved. LINK to School Fees.

3. Last Week's Social Media Event & Student Safety

Information:

Many of you may have read the social media post that was widely distributed last week regarding an adult male approaching young boys in the New Horizons School neighborhood. Upon receiving a copy of the post, the RCMP was contacted immediately. We were assured that the neighborhood was safe.

I would like to thank the NHS parents for passing on this information to us, and for trusting us in allowing school to operate normally (with heightened supervision on our end).

With our growing population, a review of our supervision procedures will occur during the summer to ensure that our students are safe when enjoying the outdoor reesses.

4. 25th Anniversary

Information:

Next year is our 25th Anniversary! I invite parents to think of some possible ways that we can recognize and celebrate this milestone!
