

Good morning Parents,

Now that we have begun to settle into this new normal of emergency remote teaching and learning, we have had a chance to survey the school and have found a large number of personal items left at the school: in the lost and found, on boot racks and in the change room lockers.

We would like to invite you to come and pick up items that you know belong to your child (note: we will not be searching for items for you). In order to do so in a safe way respecting physical distancing protocols, please e-mail me at lvigfusson@newhorizons.ca (do not respond to this email) with a description of the items you need to pick up (or location) and a date and time during regular school hours (8-4) that you are able to come and pick them up! If you are unable to come during regular office hours, let me know and I'll find a way to accommodate you.

Thanks,

Lori Vigfusson
